Designed by oggcraft.jp 2017.10

50 mm

本体：  
シナ合板 or MDF 板厚9~12ミリ

plywood or MDF

案内線A

案内線B

本体 (前)  
Mainbody (front)

This diagram shows the front mainbody template. It has a smooth, curved top edge and a notch on the right side. Two vertical lines, labeled '案内線A' (red) and '案内線B' (blue), indicate the cutting lines. A 50 mm scale bar is shown on the left side of the diagram.

全体イメージ (縮尺 1/3)

This diagram shows a scaled-down (1/3) overall image of the tool, showing the front and rear mainbody parts joined together.

【オプション】  
グリップパネル (2枚必要)
